A. N. VIDYARTHI,
Commissioner-cum-Secretary.

ORDER

In pursuance of the orders of the Hon'ble High Court dated 29th July, 1985 in C.W.P. No. 493 of 1985 the petition of Shri Jagrup Singh and others has been treated as a representation made by the petitioners to the Chief Secretary, Government of Himachal Pradesh.

The representationists were given an opportunity to appear in person on 31-8-1985. On their request, the hearing was adjourned till 2nd September, 1985 on which date, the representationists made an oral presentation of their case in the presence of the Secretary (Technical Education) and the Deputy Secretary (Ind.). They also submitted a memorandum of additional grounds through their advocate. The para-wise comments of the departments of Technical Education and Industries were also called for. The comments have been received and are on record in the case file.

Briefly stated the case of the representationists is that a combined competitive examination was held by the H.P. Public Service Commission and they appeared in this examination. They were declared successful and joined the Industries Department as Principals, Rural Industrial Training Institutes in 1982. In 1982, the Government of Himachal Pradesh decided to transfer the control of the R.I.T.Is. to the Department of Technical Education. Since the representationists were functioning as Principal of R.I.T.Is., they were directed by the Director of Industries to continue to function as such till alternative arrangements were made by the Technical Education Department. Subsequently the Director of Industries called upon the representationists to send their options as to whether the representationists would like to serve in the Industries Department or in the Technical Education Department. The representationists opted to serve in the Department of Industries. In September, 1984, the representationists were reverted to the Industries Department by the Department of Technical Education. Subsequently, the Industries Department informed the representationists that in accordance with the decision taken by the Government, they have severed all connections with the Industries Department, on the date the R.I.T.Is. were transferred to the Department of Technical Education. The representationists in response to this, contested that since they belonged to the joint cadre of the Industries Department, they should be accepted as such and appointed as General Managers in various districts. On 23-11-1984, a notification was issued by the Industries Department creating 3 posts of O.S.Ds. in the Department. The representationists were appointed as O.S.Ds. and posted as such in disregard of their claims. The attitude of the Government was *mala-fide* and derogatory to their interests. []

Based on their perception of the situation, the representationists have claimed the following reliefs:—

- (1) That office order dated 27-9-1984 (p.10) and notification dated 23-11-1984 (p.11) should be set aside.
- (2) That orders assigning seniority to the representationists at right place as per footnote 2 of seniority list (p.3) should be issued.

- (3) The representationists should be posted at right places in accordance with the seniority as General Managers.
- (4) Appropriate pay and allowances should be fixed in accordance with the posts to which the representationists are entitled from the month of September, 1984.
- (5) No fresh Recruitment and Promotion Rules and new schemes delinking the services of the petitioners from joint cadre of the D.I.Os./Assistant Directors should be framed.
- (6) Seniority list should be prepared.

Insofar as the first relief claimed by the representationist is concerned, the Industries Department has in its para-wise comments indicated that since 4 posts of Principals of R.I.T.Is., were lying vacant in the Industries Department, a requisition was sent to the H. P. Public Service Commission on 19-6-1981 for selecting 4 candidates by direct recruitment for being posted as Principals, R.I.T.Is. It was mentioned in the requisition that the appointees will be Heads of Office and would have to supervise the institutes. H.P. Public Service Commission recommended 4 candidates including the petitioners for appointment as Principals, R.I.T.Is. in the pay scale of Rs. 825-1580. Accordingly all the four candidates were appointed as Principals, R.I.T.Is., on 28-7-1982 and posted at different places. The representationists accepted the offer and joined as Principals of R.I.T.Is.

The contents of the departmental letter issued to the representationists and the other facts brought on record by the Department of Industries leave no doubt that the representationists were appointed specifically as Principal of R.I.T.Is. (Class-II Gazetted) in the pay scale of Rs. 825-1580. Their services have not been terminated at any stage by the Government and as such they cannot be considered to have ceased to be holding the posts of Principal, R.I.T.Is. at any stage to date. The R.I.T.Is. were transferred in 1983 from the control of the Industries Department to the Department of Technical Education. In the normal course of events, the mere fact that the control of the Institutions was transferred from one department to other department does not disturb the existing status of the incumbent of the various posts of the institution concerned. The representationists had every right to continue as Principals, R.I.T.Is. in spite of the fact that the institutions have been transferred from one department to other department.

There is no denying the fact that a lot of arbitrariness and inaptitude has crept into the processing of the case of the representationists. The status of the representationists as Principal, R.I.T.Is. could not be disturbed except under the due process of law and whatever was done to disturb that status was ultra vires and has, therefore, to be set aside. Recruitment and Promotion Rules governing the recruitment and promotion to the post of the Principal, R.I.T.Is. have not been amended to date. These rules continue to remain in force in so far as the representationists are concerned.

The second relief claimed by the representationists is regarding assignment of seniority at right place as per foot note No. 2 of seniority list (p.3). In this context the Industries Department has made it clear that the representationists were appointed against specific posts of Principals, R.I.T.Is. in the year 1982 and at the time of recruitment, there were no posts of D.I.Os. or Assistant Directors of Industries in the department, nor does the department have any such posts at the present moment. As such the question of the name of the representationists figuring in the joint seniority list does not arise.

This contention of the Industries Department is supported by the fact that as early as 1978 an extensive reorganisation of the Department of Industries took place and a decision was taken by the Government to hold the posts of D.I.Os. in a byeance and upgrade the post of the Assistant Director. Since the appointment

a. representationists were made against specific posts and no other posts are available to be clubbed with the posts of Principals, R.I.T.s., the contention of the Industries Department to the effect that it is not possible to assign any place to the representationists in combined seniority list holds good.

The third relief claimed by the representationists is that they should be posted at right places in accordance with the seniority as General Managers. Recruitment to the post of General Managers will be made in accordance with the relevant Recruitment and Promotion Rules applicable to the said post and not by the Recruitment and Promotion Rules applicable to the post of Principal, R.I.T.s. If the representationists are eligible to be appointed as General Manager in accordance with the relevant rules, they will be considered as such, otherwise the question of their being posted as General Managers will not arise. In accordance with the statement of the Industries Department when the schemes of the D.I.C.s. was introduced, the posts of General Managers/Managers were filled up by a Committee and almost all of them have been working on *ad hoc* basis. Recruitment and Promotion Rules for the said posts are still under process. In view of the fact that the post of Principal, R.I.T.s. was filled by the H.P. Public Service Commission in accordance with the relevant Recruitment and Promotion Rules, which do not make any mention of the posts of General Managers, incumbent of these posts cannot be adjusted against the post of General Manager, District Industries Centres. Mere fact that the representationists have been appointed as Principal, R.I.T.s. does not establish their claim against the posts of General Managers, D.I.C.s.

The fourth relief claimed is that appropriate pay and allowances should be fixed in favour of the petitioners from the month of September, 1984. In view of the fact that the representationists were appointed against specific posts, they are entitled to appropriate fixation of pay and allowances in the grades applicable to the posts of Principals, R.I.T.s. Steps should be taken to fix their pay and allowances accordingly.

The representationists have also desired that no fresh recruitment and promotion rules and no new scheme delinking the services of the representationists from the cadre of D.I.O.s/Assistant Directors should be prepared. Promotion prospects are not one of the guaranteed conditions of service. No constraint can be put on the Government so far as the framing of Recruitment and Promotion Rules and preparation of new schemes for implementation of approved programme is concerned.

Lastly the representationists have also demanded that seniority list should be prepared. This should be done by the Department concerned.

The representationists have alleged *malafide* against the departments concerned. No specific evidence, which could lead to the conclusion that action taken is *malafide* has been brought on record. As such this contention of the representationists has no force.

The Department of Technical Education has in its submission intimated that the department has no objection to the taking over of the services of the Principals, R.I.T.s. in view of the fact that they were initially appointed as such. This stand of the Department of Technical Education has to a large extent removed the basic hurdle in the smooth transfer of the services of the Principals of R.I.T.s. from the Department of Industries to the Department of Technical Education. The representationists are in my opinion entitled to hold the posts of Principals, R.I.T.s. with effect from the date of their joining the institution uninterruptedly. They have at no stage ceased to hold the posts of Principals of R.I.T.s. and the entire period of their service with effect from the date of their joining service has to be treated as duty. Their pay and allowances should be fixed accordingly. The representationists should be directed to report back to the Department of Technical Education and should be posted and allowed to function as Principals, R.I.T.s.

My findings on the representation of Shri Jagrup Singh and others should be processed immediately by the Department of Industries and appropriate orders issued with the approval of the Government. Hon'ble High Court has desired that action taken in the matter should be placed on record of the case before September 10, 1985. The Industries Department should, therefore, take steps to have the matter finalised in time and report the position to the Hon'ble High Court.

P. K. MATTOO,
Chief Secretary.

AFFIDAVIT

I, Jagdish Chander Gupta s/o Late Sh. Gurmukh Singh, r/o 75/76, The Mall, Shimla, do hereby solemnly declare and affirm in my full sense and sound presence of mine today the 11th day of February, 1987, as under:—

1. That my ailing wife Smt. Amar Kaur died on 15-1-87 at 4.00 A.M. in the presence of my unmarried daughter Miss Prem Mohini Gupta who had been looking after her for the last three years when she had a severe paralysis attack and was confined to bed since then.
2. That I have complete faith in my daughter that she served my ailing wife Smt. Amar Kaur and the false allegation that my daughter committed murder on the night intervening 14th and 15th are false and fabricated and my two sons who are inimical to me and my daughter aforesaid tried to frighten us by levelling false allegations in order to get share in the property. They were disinherited by me on 29-3-1973 by Publication in the Paper.
3. That on hearing the news of death of my wife I reached Shimla on 15-1-87 at 11.30 P.M. from Delhi where I had stopped for a while on my way to Bombay to attend death anniversary of my brother-in-law at Bombay. On my return I was accompanied by my brother-in-law Mr. Jaspaul Singh who is an Advocate in Delhi. He took my signatures on a plain paper by taking advantage of my depressed state of my mind.
4. That while I was in complete shock and under mental depression on the 16th January, 1987, while the dead body of my life partner Smt. Amar Kaur was lying before me in my house 75/76, The Mall, Shimla, the aforesaid Mr. Jaspaul Singh in connivance with my ejected sons S/Sh. Kailash Chander Gupta and Surinder Paul Singh and my married daughters Smt. Sarabjeet Kaur and Mrs. Kiranjeet Kaur forced and compelled me and my unmarried daughter Miss Prem Mohini Gupta to sign a hand written material regarding my property and the property in the name of my wife.

Whereas to-day this the 11th February, 1987 myself in my complete senses and presence of my mind do hereby declare that my signatures taken by the above referred persons on plain paper as mentioned in para 3 and on the written material regarding my property and the property in the name of my wife on 16-1-87 at 4.00 A.M. while I was under the mental shock and depression should not be taken any cognizance by anybody for any purposes and be treated as null and void for all intents and purposes as the signatures were taken under compulsion and I was not fully in senses.

JAGDISH CHANDER GUPTA,
Deponent.

Declaration :

I, the above named deponent do hereby state and declare that the contents of the above affidavit are correct and true to the best of my knowledge and belief. No part of it is false and and nothing has been concealed therefrom.

Verified at Shimla this the 11th day of February, 1987.
